Self-Empowerment during Your PhD Training

Date
April 6, 2018 - 10:00am to 11:30am

Location
Parnassus Campus Room S-214

During this session students will learn tangible skills and tips to:

- Take ownership of PhD training through effective communication
- Manage and navigate difficult power dynamics and relationships in the laboratory

Presented by Sharon Milgram, PhD, Director of Office of Intramural Education and Training, National Institutes of Health
