

Accessing Student Services During COVID-19 Outbreak

Vice Chancellor Elizabeth Watkins <vc-saa@ucsf.edu>

Tue 3/17/2020 11:55 AM

To: All UCSF Students

Dear Students,

As the campus and the City of San Francisco continue to respond to the COVID-19 outbreak, most of our student services offices are closing or reducing open hours at physical locations, shifting services online, and offering one-on-one appointments via Zoom or phone.

We wanted you to know that – even though you may not see us on campus as much – our staff are still working hard, and we are doing everything we can to support you and maintain the same level of service.

Because the situation is changing day by day, please check for updates on the applicable website before going to any office location in person. If there is something that can't be handled online, contact the service you need by phone or email, and we'll find a workable solution.

Your health and wellbeing and your continued academic success remain our top priorities. Please don't hesitate to reach out to us if we can help you during this especially challenging period.

Be well!
